- National Assessment APRENDER.
- SINIDE.
- Scholarships Policy: Number of scholars.

#### 4.c. Teachers Complete

- SINIDE
- Teachers National Census
- School management system with online indicators.
  
- National Assessment Aprender

# CHALLENGES

- ARG: Federal, decentralized education system. Information **is** fragmented across several actors:
  - different levels of government,
  - different ministries at the national level,
  - and different sectors producing information inside the Ministry of education.
    - Need of coordination.
- Indicators disaggregation. Equity focus.
- Global comparison and relevance of some of the indicators for the country.
